Tequila Sunrise a Success

On March 24, 2012, sixty-six friends and supporters of **Pass It On** came out to Tequila Sunrise in Oakland Park, FL for a fun evening of good food, drinks, and company. As guests enjoyed south Florida's best margaritas and tacos, **PIO** board members told the crowd about various ways that people can get involved with the organization, whether to help promote **Pass It On** from the comfort of their own home as part of the marketing committee, mentor a young person at one of **Pass It On's** training events, or lend a hand in organizing a future fundraising activity. For the rest of the evening, guests caught up with old friends and made some new ones. The Tequila Sunrise staff worked hard to keep the food coming and the drinks flowing, and the restaurant generously donated 20% of the checks to **Pass It On**.

Because of the event, several people have already expressed their interest in getting more involved in **Pass It On**, and if you didn't get an opportunity to talk with one of the **PIO** Board Members that night, don't hesitate to contact **Pass It On's** president, Ellie Nelson-Wernick, at enwernick@aol.com to ask how you can participate.

Pass It On thanks everyone who came out to show their support!
