**Pass It On Announces a New Recipient
of the
*Morris and Rhoda Wernick
Community Scholarship***

We are proud to award the 2014 Morris and Rhoda Wernick Community Scholarship to Katerina Nickel. Katerina was the Valedictorian of her graduating class at South Broward High School. Along with her rigorous academic schedule, she was an active member of several clubs and served as President of the Science National Honor Society and Vice President of the English Honor Society. Katerina led monthly beach cleanups at Dania Beach, and headed up the math and science tutoring programs at her school.

In her community Katerina volunteered her time at the Greater Hollywood YMCA Family Center as well as Memorial Regional Hospital. She was also selected to participate in the Weber Summer Scholar Program at the Cleveland Clinic in Weston, Florida.

Katerina is not only a committed and dedicated student with a passionate desire to learn, but she is also genuinely kind, considerate and quick to offer help to those in need. Katerina describes herself as someone with "a big spirit." We congratulate Katerina on her many achievements and look forward to watching this big spirited young leader continue her success this fall at the University of Florida.
